Our love and hope to friends and colleagues in Christchurch

We would like to make special acknowledgement to the people of Christchurch who are experiencing a very traumatic and difficult time after the earthquake of Feb 22nd – we send our thoughts and aroha to you all. Many have been affected and touched by the events in Christchurch. Some useful web links to help children and adults in times of trauma have been placed on our website www.reanz.org.

Reflections from Centre Visit – Helensville Montessori - Sat 5th March

Due to the huge demand and over subscription of this centre visit opportunity last year, we recently organised another visit to *Helensville Montessori* and were able to listen to 3 presentations by the teaching team and experience and wander the three exceptional learning spaces, 'Nidi', 'Casa', and 'Villa'.

Update - Melbourne Study Tours 2011.

Two tours have been arranged this year in response to the interest of participants from both the early childhood and primary sectors. Please note that these 2011 tours are all fully subscribed and people are already indicating their interest for next year! If you would like to register your interest and obtain further details please contact Chris Bayes via email: chris.bayes@xtra.co.nz
