

Conversations...

REANZ invites you to join Bridgette Towle and Diti Hill-Denee to explore the interface between the concept of intra-active pedagogy (Lenz Taguchi 2010), the principles and philosophy of Reggio Emilia, and the bicultural context of early learning in Aotearoa New Zealand.

The two conversation evenings will be of particular interest to teachers who are wanting to deepen their understanding of the Reggio Emilia approach and to expand their philosophical thinking in the context of their practice.
