PLD for primary and ECE teachers

IGNITING PLAY IN THE EARLY YEARS

Come and learn how two teachers from Silverstream School are developing learning through a play approach across the Years 0-2 team. Their approach makes for a more seamless transition from ECE to school.

Hilary Burrows and Judith Urry will describe why they wanted primary students to play, and how they developed their approach to playful learning.

Judith Urry undertook some action research in 2016, inspired by the ECE curriculum and pedagogy, and Reggio Emilia education principles.

Judith and Hilary have tips about support for classroom teachers to make appropriate changes in pedagogy.

“Igniting play” (in both senses of the words) will be presented by **Judith Urry** and **Hilary Burrows**, from Silverstream School, with an introduction and commentary by **Dr Anne Meade**, a three-time attendee at Reggio Emilia in Italy and co-founder of Daisies EC & C Centre.

Date: Saturday, 4 November, 9.00am to 1.00pm.

Venue: Te Rito Maioha/ Early Childhood NZ, 191A Thorndon Quay, Thorndon, Wellington.
